

# STAR PAY GOAL LIMITED

## COOKIES POLICY

<https://star-pay-goal.com/>

Like most websites, we use cookies on <https://star-pay-goal.com/> (hereinafter referred to as the “Company”). This Cookies Policy tells you about our use of cookies, and the choices you have.

Cookies are text files containing small amounts of information that can be downloaded to your device when you visit a website. Cookies enable us to analyze how the Company’s website is used and to monitor site performance, so we can create the best user experience. We may also use cookies to personalize language settings and to provide social media features.

In addition to the cookies used by Company’s website and our service providers, some cookies are placed by third parties such as Google Analytics, Facebook Pixel or Yandex.Metrika, as described below.

By using the Company’s website, you agree to the use of cookies for the following purposes:

**Essential Cookies:** these are essential in order to enable you to move around the Company’s website and use its features, such as accessing secure areas of the website.

**Performance and Analytics Cookies:** Google Analytics, Facebook Pixel and Yandex.Metrika (“Analytics”) is Google’s, Facebook’s and Yandex’s respective free web analytics tools that help us understand how our visitors engage with our website. Analytics collects information anonymously and, much like examining footprints in sand, it reports website trends without identifying individual visitors. Analytics uses its own set of cookies to track visitor interactions. These cookies are used to store information, such as what time the current visit occurred, whether the visitor has been to the site before, and what site referred the visitor to the web page. Google Analytics, Facebook Pixel and Yandex.Metrika customers can view a variety of reports about how visitors interact with their website so they can improve their website and how people find it. A different set of cookies is used for each website, and visitors are not tracked across multiple sites. Analytics customers are obliged to notify users of their use of analytics software. To disable this type of cookie, some browsers will indicate when a cookie is being sent and allow you to decline cookies on a case-by-case basis. In addition to declining cookies, you can also install Add-ons from your browser’s respective store (if any), which prevents Analytics cookies from collecting information about your website visits.

Functionality Cookies: they remember the choices you make, such as language options or your current region. These cookies help to make your visit more personal and are deleted automatically when you close your browser or the session expires.

You can block or disable cookies on your device at any time by indicating this in the preferences or options menus in your browser. You can also delete the cookies that are stored on your device. However, blocking, disabling, or deleting cookies may limit your ability to view all the pages of the Company's website or use online services that require registration. You can find more information about cookies at [www.allaboutcookies.org](http://www.allaboutcookies.org) and [www.youronlinechoices.com](http://www.youronlinechoices.com).

If you have any questions about this cookies policy, please email us at [startuppaymentcompany@gmail.com](mailto:startuppaymentcompany@gmail.com).
